## SUMMARY

I am a passionate and experienced MERN STACK Web Developer with more than 4 years of experience and I have a Bachelor of Science degree in Software Engineering. I have expertise in building and maintaining Front-end web applications covered by testing. For the last 4+ years, I have been with HTML, CSS, SASS, JAVASCRIPT, REACT REDUX, TAILWINDCSS, BOOTSTRAP, MONGODB, and NODE JS. I am dedicated to building state-of-the-art web applications. To date, I try to use the latest technologies to build products that bring your ideas into reality.
